

Title: Living the books
and statements of
sahih and purification
of the heart 7/10/23

1. I am concentrating
on living upon these
wise words of the
scholars, ~~as~~ Ulama
and Salaf
2. Alhamdulillah, my
wife sends me a
couple of these type
of posts throughout
the day
3. I also have some
books in my bag and
at home that I
regularly dip into
frequently when my
heart wears round
to it even though
it be briefly
wa, Allahu, Allahu
Alhamdulillah wassalaatu
